

FREE Business Clinics!

Free, informal drop-in sessions – no booking required

If you think that you might want to run your own business, but don't know where to start, or if you already have an idea and want to take it further, then come along and have an informal chat with one of our qualified business advisers.

Just drop in and see us when you have the time – we'll provide no-obligation, practical advice whether you're thinking about starting or you're already involved in a voluntary or community-based enterprise, or a commercial business. We can give you tips on anything from developing your business ideas to working through the 'credit crunch'.

If you can't make it on the day, give Co-active a call on 01752 500888 and chat over the phone.

Feel free to drop in any time from 10am to 1pm...
